

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is a clear example
of the dangers of
media consolidation.

Sinclair uses the
public airwaves free
of charge, and is
obligated by law to
serve the public
interest. But when
large companies
control the
airwaves, we get
more of what's good
for the bottom line
and less of what we
need for our
democracy. Instead
of something
produced at "News
Central" far away,
it's more important
that we see real
people from our own
communities and more
substantive news
about issues that
matter.

Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them. They
show why the license
renewal process
needs to involve
more than a returned
postcard. Thank you.

We will not allow
public airwaves to
shill for political
reasons: asking the
Senator to join in
your program takes
your viewers OFF the
important question :
IRAQ, 1078 American
deaths; 12,422 IRAQI
deaths; untold
deaths and abuses of
POWS in Afghanistan,
Abu Ghraib,
Quantanamo Bay,
other Iraqi prisons
(54) subverting Red
Cross and Geneva

Convention
protocols. These
are WART CRIMES by
this administration.
THAT IS THE subject
to discuss. It is a
current war. The
dollar's value is
sinking due this
president. THAT is
the subject to keep
America's EYE ON.
NOT on a 30 year old
war where a man of
principle spoke of
an unwinnable
war,...beginning
with the bogus Gulf
of Tonkin episode.
Who in the hell do
you think you are
speaking to?
Morons.

Yes. Bush's base
perhaps. But most
of AMERICA is NOT
THERE. We are
college-educated
Americans, far
smarter than this
president, Karl
Rove, Dick Cheney or
Paul Wolfowitz who
doesn't even know
the body bag count,
or a president who
spends nearly 50% of
his time on vacation
, could care less
where Osama Bin
Laden is and did
EVERYTHING he could
to GET US KILLED on
9.11. EVERYONE,
generals, diplomats,
Scientists, Seymour
Hersh and I have
said we are far less
safe now under Bush
than before him.

THAT IS THE SUBJECT
YOU NEED TO AIR.
Not shill for Bush
with this airing
"..HONOR"/

We are suing you
after this election
in order to get
changes made in the
FCC and in companies
like Sinclair who -
if we let you stay

around much longer
will no doubt let
them privatize ALL
of the airwaves and
simply put ALL of
the airwaves in the
hands of neocons,
religious zealot
crusaders such as
Karl Rove-Goebbels
et al.

This is AMERICA.
You are helping sell
it off in pieces,
are violating the
very precepts of MY
protections to
DISSENT; FREE and
FAIR DEBATE,
government of, by
and FOR WE the
PEOPLE, by your
callous disregard
for my rights as an
American citizen who
is tired of being
lied to for 5 years
by this
administration and
by your leadership.

Thank you.
